

Canadian Nursing Informatics Association

The CNIA Newsblast delivers informatics news from Canada and around the world to our members and subscribers.

Happy New Year CNIA Members!

On behalf of the CNIA Executive Board I would like to wish you a very happy and healthy 2020. Twenty-twenty has been designated the [International Year of the Nurse and Midwife](#), and CNIA is excited to be celebrating what would have been the 200th birthday of [Florence Nightingale](#), one of the first known Nurse Informaticists, on May 12th, 2020 in several ways.

In follow up to our successful and excellent 2019 CNIA Conference co-hosted with the New Brunswick and Nova Scotia Nursing Informatics Groups at the University of New Brunswick, we will be co-hosting the CNIA Conference with the Saskatchewan Nursing Informatics Association on May 21 and 22 at the University of Saskatchewan, in beautiful Saskatoon. Our annual conference promises to be an exciting and informative event with opportunities for learning and networking. We are especially pleased to have Dr Lynn Nagle and Dr Elizabeth Borycki as our Keynote Speakers. Now is the time to make sure you [submit an abstract](#) to share your work in Nursing Informatics before the deadline of January 10, 2020.

We will also be offering our members several free webinars, for more information and to register please visit our Upcoming Events tab at www.cnia.ca. Keep an eye on our twitter feed #cnia_ca for information about the Twitter Chat we will be holding in May 2020, more details to follow soon.

You can also represent and celebrate Nursing Informatics in Canada by purchasing this [Nursing Informatics Pin](#) representing Florence Nightingale's Rose Diagram.

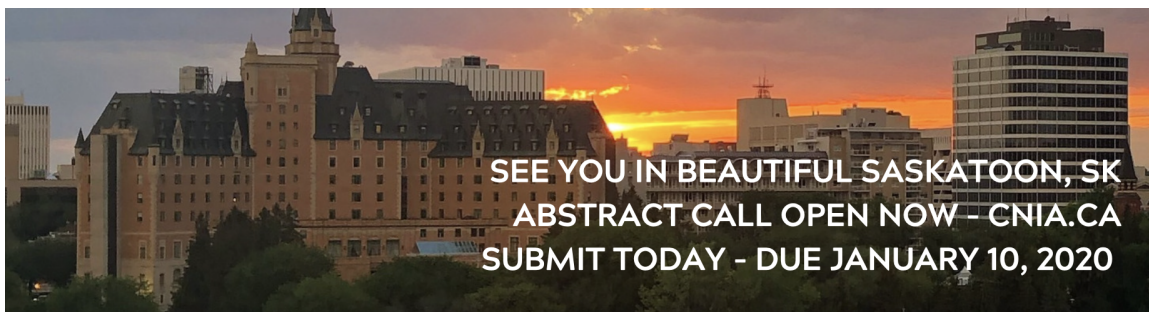

Wishing you all a very joyful and healthy year in 2020 and I look forward to seeing you in Saskatoon in May.

Warm regards,

Glynda Rees RN MSN

CNIA President

The conference theme is **Nightingale 2.00: Nursing's Digital Future.**

The CNIA conference is proud to be a common meeting point for clinicians, informaticians, researchers, educators, managers and other operations leaders, and anyone interested in health informatics. So if you've got a recent informatics project you've been working on - whether it's practice, research, teaching, or operations - fellow attendees would love to hear about it - submit an abstract before the deadline and share!

Here's [3 great reasons to visit Saskatoon](#) in addition to joining us for the CNIA conference!

Nightingale 2.00 - Nursing's Digital Future

Start *21 May 2020*
End *22 May 2020*
Location University of
 Saskatchewan
Registered [Be the first](#)

YOUR HOSTS: Canadian Nursing Informatics Association and Saskatchewan Nursing Informatics Association

KEYNOTES: Dr. Elizabeth Borycki RN, PhD and Dr. Lynn Nagle RN, PhD, FAAN

CONFERENCE THEMES:

Nightingale 2.00 – Nursing's Future is Digital
Big Data, Data Science and Artificial Intelligence for Nursing
Virtual Health: Social Media, mHealth, Mobile and Remote Technology
Informatics and Indigenous Peoples' Health
Educating Nurses in a Digital Age
Canadian Healthcare Policy and Nursing Informatics
Digital Determinants of Health, Ethics, Equity
Quadruple Aim: Nursing Informatics to enhance 1) Patient Experience 2) Population Health, 3) Nursing Practice Experience, and 4) Cost-effectiveness
Nursing Informatics Research in Canada

Registration

- **CNIA Members – \$200.00**
- **CNIA Members - Early Bird Rate – \$150.00**
- **Non Members - Early Bird Rate – \$200.00**
- **Non-Members – \$250.00**
- **Students – \$100.00**
- **Students - Early Bird Rate – \$75.00**

The deadline to submit your abstract is **Friday, January 10, 2020** at 23:59 (CST). You will be notified of review results on February 1, 2020. We hope to see you there!

Integrating Nursing Sensitive Patient Outcomes into the Acute Care Electronic Health Record Webinar

January 23, 2020 12:00 - 1:00pm EST

Presenters: Marion Dowling and Dorothy Dewar

Health PEI integrated the Canadian Health Outcomes for Better Information and Care (CHOBIC) into admission and discharge assessments in acute care. These standardized measurable patient outcomes were implemented to improve documentation, care planning for patients and demonstrate nursing's role to improve patient outcomes. Building partnerships, a commitment to patient centeredness and mobilizing knowledge of participants along with effective and frequent communication between Patient Advisors (integral to the project), Nursing Leaders and project Implementation Teams was imperative to project success. The [webinar](#) presentation will describe CHOBIC, how the project was implemented, the measurable nursing sensitive patient outcomes in acute care achieved, plans for future spread and lessons learned regarding the value of understanding what is important to patients, the functionality of electronic documentation as well as patient and unit workflow.

AWARDS PROGRAM

We are pleased to inform you that CNA is now accepting nominations for the 2020 [CNA](#)

Awards Program. The awards are as follows:-

- **Jean Mance Award**, CNA's highest honour for outstanding contributions to nursing.
- **Order of Merit Award**, which will be bestowed to nursing leaders in the areas of clinical practice, education, administration, research and policy (five to be awarded).
- **Employer Recognition Award**, which recognizes two health-care facilities for their exemplary support of CNA-certified nurses.

Further details about all the awards, the criteria and the online nomination forms, can be found on the CNA website: <https://cna-aiic.ca/en/about-us/awards-and-recognition>.

All the above awards will be presented during our biennial convention in June, alongside the first 200 Nightingale Fellows who will be inducted into the Canadian Academy of Nursing.

Nominations for the awards will be open until **midnight ET on January 30, 2020**.

Nous sommes heureux de vous informer que l'AIIC accepte maintenant les nominations pour le programme de prix de l'AIIC 2020. Les prix sont les suivants:

- Prix Jean Mance, la plus haute distinction de l'AIIC pour sa contribution exceptionnelle aux soins infirmiers.
- Prix de l'Ordre du Mérite, qui sera décerné aux chefs de file des soins infirmiers dans les domaines de la pratique clinique, de l'éducation, de l'administration, de la recherche et des politiques (cinq à attribuer).
- Prix de reconnaissance de l'employeur, qui reconnaît deux établissements de soins de santé pour leur soutien exemplaire aux infirmières certifiées par l'AIIC.

De plus amples détails sur tous les prix, les critères et les formulaires de mise en candidature en ligne sont disponibles sur le site Web de l'AIIC : <https://cna-aiic.ca/fr/a-propos-de-nous/prix-et-reconnaissances>.

Tous les prix ci-dessus seront décernés lors de notre congrès biennal en juin, aux côtés des 200 premiers boursiers Nightingale qui seront intronisés à l'Académie canadienne des sciences infirmières.

Les candidatures pour les prix seront ouvertes jusqu'à **minuit HE le 30 janvier 2020**.

NURSING NOW CAMPAIGN

Nursing Now Canada is the official Canadian representative of the global Nursing Now campaign. Nursing Now Canada was officially launched in June 2019 in Vancouver at an international conference that focused on power, nursing and advocacy. The aim of the global campaign, which has over 200 active groups in 90 countries worldwide, is to improve health and health care by raising the status and profile of nursing. The campaign will run until the end of 2020 to celebrate the 200th anniversary of Florence Nightingale's birth and the Year

of the Nurse and the Midwife.

Nursing Now is a three-year campaign run in collaboration with the International Council of Nurses (ICN) and the World Health Organization.
