HIMSS ONTARIO CHAPTER

Register today for the 2nd Annual Health IT Conference Ontario – Nov 4th and 5th

Sponsored by [HIMSS Ontario Chapter](#), in partnership with CNIA, CCHL, and ACHE Canada Chapter

Our second annual Health IT Conference Ontario is being held (virtually) November 4th and 5th, 2020. In case you missed it, we are happy to announce that [registration is open!](#) This year we have assembled another impressive line up of speakers, presentations, panel discussions, and virtual health IT exhibitors. Attendees will have wide-ranging opportunities to learn, collaborate, and connect with others through the virtual conference platform.

Some of the key highlights, include:

- *Keynote speakers:*
 - Greg Hein, Assistant Deputy Minister, Digital Health Division, Ministry of Health
 - Rhonda McMichael, Assistant Deputy Minister, Population Health, Ministry of Health
 - Karen McKibbin, CIO, Health Services I & IT Cluster, Ministry of Health
 - Karen Hay, Director, Public Health & IT Solutions, Ministry of Health
- Presentations on a range of topics that span Virtual Care, Case and Contact Management, Data Platforms and Analytics for OHTs, Big Data and Machine Learning in Medicine, Nursing Education, Medical Imaging, Population Health, and more
- There will be several panel sessions to attend, including a national CIO panel, an Ontario focused CIO panel, a Innovation Leaders panel, a CMIO panel, a Pharmacy panel, a Medical Imaging panel, and a Clinical Informatics panel
- 20+ vendor exhibitors will be on hand and accessible throughout both days through their virtual booths
- Conference vendor sponsor presentations from Teknicor, Hillrom Canada, Dell Technologies, Zebra Technologies, BlackBerry, Vocera, TELUS Health, Fortinet Technologies, Veeam Software, and Aruba-A Hewlett Packard Company
- Ample near-to-near (virtual) networking opportunities

-AMPLE peer-to-peer (virtual) networking opportunities
